Universal Design Cabinets (H)

Universal design sink fronts, base cabinets, drawer cabinets and blind corners are available, on special order, in a limited number of sizes. Vanities are also available (28-1/2" H). Kitchen Kompact's universal design cabinets have a lower overall height and extra toe space to accommodate the footrest of a wheelchair. Such cabinets are especially important for project work subject to HUD or FHA funding. Please allow a minimum of two weeks for delivery. Price is net plus 10%.

Specifications

Cabinet Construction

All face frames are built of solid oak or maple - 3/4" kiln-dried rails, joined by mortise and tenon with glue. All wall and base cabinets have 1/8" backs. Wall cabinets equipped with solid wood hanging rails at back, both top and bottom. End panels are wood veneered, 1/2" thick engineered wood core plywood, fastened to front frame with tongue-in-groove construction. Tops and bottoms of 3/16" hardboard dadoed into sides, interlocked into hanging rails of all wall units, and secured with an adhesive for added strength.

Finish

A 4-step process is applied to the exterior finish of all Kitchen Kompact cabinets: Stain, Sealer, Sanding, and Catalyzed top coat. This finish is resistant to household chemicals such as water, beverages, mild acids – even nail polish.

Shelves

All wall cabinets feature adjustable shelves. A selection of six different heights is built into each 30" high and taller wall cabinet. On 2-door wall units, the center 3" stile is used for center support of adjustable shelves. It is recommended that a 1/4" hole be drilled in the back for additional center support. The extra shelf clip is provided. Shelves are 1/2" engineered wood, with rounded front edge and printed wood grain.

Hardware

Chadwood, Richwood Lite, Bretwood Maple, Mellowood Maple and Lynwood Maple feature concealed self-closing hinges – no door pulls included.

Vanities

Vanity size cabinets are available in all lines.

Doors

Chadwood: Door frames are mortised and tenoned construction of solid oak. The flat plywood insert is a three-ply panel with a rotary cut red oak veneer face.

Richwood Lite: Door frames are made of 3/4" solid oak, mortised and tenoned. The raised panel insert is made of warp-resistant engineered wood, for greater stability, with a rotary cut red oak veneer face and back.

Bretwood/Mellowood Maple: Door frames are mortised and tenoned construction of solid maple. The flat plywood insert is a three-ply panel with a rotary cut hard maple veneer face.

Lynwood Maple: Door frames are made of solid hard maple, mortised and tenoned. The raised panel insert is made of warp-resistant engineered wood for greater stability, with a sliced hard maple veneer face and back.

Drawers

Plywood drawers are standard on all lines and feature a full front to back epoxy coated suspension system. Drawers glide smoothly on a ball bearing operated nylon roller mechanism.

Drawer fronts of solid oak/maple with routed finger grips on the bottom for easy opening.

Universal Oven Cabinet

Oven cabinets are made to accommodate almost every type oven by removing the necessary lower drawer units. Metal support rails are included.

Wall Whatnot

May be used right or left. All shelves come unattached. Width may be cut down 1-1/2" and height may be cut down 6".

Universal Design Cabinets

Universal design cabinets are available, on special order, in a limited number of sizes.

Outline Specification

Kitchen cabinets shall be as manufactured by Kitchen Kompact according to the company's material specifications. Finishes and cabinet units (Chadwood, Richwood Lite, Bretwood Maple, Mellowood Maple or Lynwood Maple) are as specified by size and type according to Kitchen Kompact stock catalogs. Cabinets are reversible so there is no need to specify left or right. Hardware, finish, materials, and other requirements shall be as specified by Kitchen Kompact. Each cabinet is shipped individually and in its own carton.

Cabinet Code Descriptions

For ease of ordering, the numerical designation indicates the cabinet width, the letter identifies the height:

Flexible Installation

Wall cabinets are reversible for right- or left-hand installation. Base cabinets come hinged left, but can be easily reversed by moving hinges to predrilled right hand locations.

General Information

Orders are taken subject to our approval. Any changes must be made within four days after date of our acknowledgment. If this notice is not received, cabinets will be shipped according to the acknowledgment. Orders are not subject to cancellation without our written consent. Do not return merchandise to factory without our permission. All merchandise shipped in good condition - any damage claims must be made with delivering carrier.

SUBJECT TO CHANGE WITHOUT NOTICE. SHIPMENTS F.O.B. JEFFERSONVILLE. Kitchen Kompact cabinets meet or exceed the American National Standards Institute #A161.1 recommended minimum construction and performance standards for kitchen and vanity cabinets.

Kitchen Kompact, Inc. reserves the right to change design, specifications or materials without being obliged to incorporate such changes in products of prior manufacture.
