**Measuring Width & Height**

List finished opening sizes.

(A) Width: Finished wall to wall (or jamb) in feet and inches; e.g. 10-5 x 7-10.

(B) Height: From surface where track attaches to finished floor or top of carpet.

**See Page 4.**  
**Drawings show how to measure height for each type of track.**

NOTE: For those areas where floor is uneven (e.g. concrete floors) please take 3 or 4 height measurements along the floor. Use the shortest measurement as the finished opening height except 2100 and 3300.

**Woodfold order forms available.**

*All Woodfold finishing processes are environmentally safe.*

**CUSTOM SIZES OUR SPECIALTY**

**PREPAID FREIGHT PROGRAM**

All prices shown in this price list include freight for Zone 2

**Production Schedule:**

All Series with factory standard finishes, 2 weeks (up to 250 lineal feet; over 250 lineal feet – subject to manufacturers schedule at time of order.) All doors with special finish; after signed approved acknowledgement received, 3 weeks.

**Rush Service:** Please contact office for details.

**In-transit Time:**

Please allow a 7 to 10 day normal in-transit time for delivery.

**Door weights (lbs per lineal foot)**

Height	140, 220, 240 & 2100		440, 540, 640 & 740		3300

10-0	15		16		32
12-0	18		20		38

**FREIGHT ZONE 2**  
 Includes all continental states except California, Oregon, Washington

**CUSTOM ORDER INFORMATION**

**Custom Sizes:** All Woodfold doors are custom made. We allow 9/16" clearance for doors over 4' high, 5/16" for doors 4' high and less.

*Due to variations in floor and/or ceiling surfaces we suggest several height measurements be taken across door opening.*

**Special finishes procedure:** With your order please send stained wood sample or paint chip to be matched by Woodfold. Upon receiving this sample we will return a factory color-matched sample along with an acknowledgement copy. Acknowledgement is to be returned with your signature approving the color match. By using the special finish procedure to color match to your customer requirements, the special finish cost will be less than preparing an unfinished door for finishing at the job site.

**Unfinished Doors are not guaranteed.**  
**(Series 3300 is not available unfinished)**

**Shipments to commercial addresses.**  
**Additional charges apply for non-commercial delivery and pre-delivery notification.**  
**Contact Office for Questions.**

**SPECIAL NOTE:** In case of freight damage documented with signed bill of lading, please contact our office. Woodfold will process freight claim.
