Fypon® Price List

The Fypon Price List is designed to place pricing for our products at your fingertips. It includes list prices for all stock polyurethane and PVC products, as well as many fabricated configurations.

If you have any questions or need assistance regarding prices or other information, please contact Customer Service at 800.446.3040 or info@fypon.com. We're here for you from 8 a.m. to 5 p.m. EST, Monday through Friday.

You may also visit our website at fypon.com for additional information, product support and installation instructions for all our products. Fypon will produce fabricated and custom parts to meet your specifications with varying lead times. Contact Customer Service for more information.

Note: Fypon Service Guidelines were accurate as of the printed date of this price book, but may have since been updated. Service Guidelines are included in the price book for customer convenience but may not represent the current Service Guidelines due to the nature of printed material.

Discover the Fypon advantage.

The resources you need.

Building professionals trust Fypon to deliver outstanding customer service and support.

We provide:

- An industry-first quote package program with quantity pricing tool.
- Support from Fypon experts and answers to common installation questions.
- Takeoff services for historical restorations, replicas or any unique profile that fits your home or commercial application.

For more information, contact CPS@fypon.com.

Cutting and milling.

Fypon polyurethane products can be cut and trimmed with standard woodworking tools, including table saws, circular saws, jig saws, band saws and miter saws. Trimming product will remove the smooth finish and create an exposed polyurethane edge. This edge must be primed to protect the exposed polyurethane. Fypon polyurethane products must be finished with paint or stain within 90 days of installation to protect the product from discoloration from the sun.

For more information on the installation and care of Fypon products, visit fypon.com.

Install.

Installation instructions for all Fypon products can be found on our website at fypon.com/install.

Remember to order adhesive.

A urethane-based adhesive must be used on all polyurethane joint surfaces. Fypon recommends Locite® PL Premium® Adhesive. For PVC products, such as column wraps, Fypon recommends Duo-Sil® adhesive and caulk. See pages 225 and 276 in the full-line catalog for ordering information.

Fypon, LLC Product Warranty

Lifetime Limited for Homeowners / 4-Year Commercial

1. WHAT THE LIMITED WARRANTY COVERS AND FOR HOW LONG

a) LIFETIME LIMITED WARRANTY FOR HOMEOWNERS

Subject to the limitations and exclusions below, Fypon LLC ("Seller"), warrants to only the original owner of the residential dwelling (and to the builder or contractor of the dwelling) in which or on a Fypon® product ("Product") is initially installed ("Warranty Holder"), provided the Product remains in the position of original installation, that the Product will be free from non-conformities in material and workmanship for as long as the original owner owns such dwelling ("Warranty Period"). The Warranty Holder may not transfer this Limited Warranty to any other party.

b) 4-YEAR LIMITED WARRANTY FOR OWNERS OF COMMERCIAL OR MULTI-RESIDENT PREMISES

Notwithstanding the above provision, and subject to the limitations and exclusions below, if the Product is initially installed in a commercial or investment premises, or a multi-resident premises (such as, but not limited to a condominium, townhouse, duplex, apartment building, or cooperative) and the occupant of such premises is normally not responsible for repair or replacement of the Product, Seller warrants to the party who owns that premises or is otherwise responsible for repair or replacement of the Product (and to the builder or contractor) ("Warranty Holder"), provided the Product remains in the position of original installation on such premises, that the Product will be free from non-conformities in material and workmanship for a period of 4 years ("Warranty Period") from the date the Product was originally purchased from the Seller or an authorized dealer. This 4-year Limited Warranty is transferable during the Warranty Period.

By way of clarification, if Product is installed in a residential dwelling inside a multi-resident premises (by way of example, a condominium unit "residential dwelling" in a condominium building "multi-resident premises") but the owner of that residential dwelling is responsible for repair and replacement of the Product, then the above Lifetime Limited Warranty for Homeowners applies and extends to the original owner of the dwelling (and to the builder or contractor of the dwelling), as indicated in the previous section. If, on the other hand, the owner of the multi-resident premises (the condominium association or apartment building owner, for instance) is responsible for the repair or replacement of the Product in or on the dwelling, then the 4-Year Limited Warranty applies and extends to the owner of the multi-resident premises (and to the builder or contractor of the premises).

2. WHAT THE LIMITED WARRANTY DOES NOT COVER

a) GENERALLY

This Limited Warranty provided herein covers only those manufacturing and material non-conformities, as specified above, and does not include non-conformities or damages attributable to or arising from any other cause, including, but not limited to, Product: (i) used for purposes for which it is not designed or intended by Seller, or that exceed design(s) test evaluation, as specified by Seller in its product literature, installation instruction, or as otherwise was known or should reasonably have been known by the Warranty Holder or its architect, contractor, or building agents; (ii) which has been subjected to misuse, vandalism, abuse, negligence, or accident; (iii) which have been improperly stored, installed, maintained, or operated; (iv) which have been stored, installed, maintained, painted, stained or cleaned or used in violation of, or inconsistent with, written instructions provided by Seller to Warranty Holder or generally available in Seller's product literature or on Seller's world wide website www.fypon.com (v) which have been subjected to improper temperature, humidity, saltwater, fire, flood, acts of God, including but not limited to, stresses, winds, debris, or other environmental conditions; (vi) which have been affected by normal or abnormal wear and tear; (vii) which have been used in a manner which results in a load bearing application in violation of, or inconsistent with, the Seller's specifications or installation instructions for the Product, or as otherwise known or should reasonably have been known by the Warranty Holder, or its architect, contractor, or building agents; (viii) which have been used as a support for climbing plants or other materials, (ix) which has been abused by harmful fumes, vapors, solvents, chemicals or chemical pollutants in the atmosphere; (x) which has been adversely affected as a result of building settlement or structural failures of walls or foundations of the premises on or in which the Product is affixed or installed; (xi) which have been removed after the original installation and reinstalled.

b) IMPROPER FINISHING OR INSTALLATION VOID THE LIMITED WARRANTY; MAINTENANCE SHOULD BE TIMELY

The Limited Warranty will be void if the Products are not installed in accordance with Seller's published instructions, including without limitation, the proper use of glue, paint, and non-corrosive fasteners in combination with recommended adhesive. Proper use of glue and adhesives is crucial to correct installation. Painting with an exterior grade 100% acrylic latex paint is required of all Product purchased with factory applied primer within 90 days of install, including all polyurethane Products. PVC free foam Products do not require paint. If PVC free foam is painted, the painting instructions provided by the Seller must be followed or this Limited Warranty will be void. QuickRail® and QuickPost® products should never be painted; to do so shall void this Limited Warranty. The Products should never be installed with fasteners that are susceptible to corrosion. Damage that occurs during installation is not covered by the Limited Warranty, but dents, gashes, cut surfaces, or other damage should be promptly addressed by the installer in accordance with Seller's published instructions, which includes directions on the use of wood filler, automotive filler, adhesive, putty, and caulk. The Products should not be stored or installed in an area subject to solar temperature buildup or localized heat (such as might occur if the Product were placed behind a storm door). Pre-installation acclimation to the installation area may be required.

c) USE OF PRODUCTS FOR STRUCTURAL SUPPORT WILL VOID THE WARRANTY UNLESS OTHERWISE EXPRESSLY PROVIDED BY THE SELLER

This Limited Warranty will be void if a Product that is described in Seller's Product literature for decorative purposes only is used to provide any structural support. THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS AND YOU MAY ALSO HAVE OTHER RIGHTS WHICH VARY FROM STATE TO STATE/PROVINCE TO PROVINCE/TERRITORY TO TERRITORY.
EVEN IF THIS LIMITED WARRANTY IS DEEMED TO HAVE FAILED OF ITS ESSENTIAL PURPOSE, IN NO EVENT WILL SELLER'S ENTIRE LIABILITY EXCEED THE PURCHASE PRICE OF THE PRODUCT WARRANTED HEREUNDER, OR THE NON-CONFORMING PORTION THEREOF, WHICHEVER IS THE LESSER AMOUNT.

6. CLAIMS

Claims under this Limited Warranty must be initiated during the Warranty Period. To initiate a claim under this Limited Warranty, please contact the builder or contractor who installed the Product or the dealer who provided the Product.
